PROFILE

Humble, tolerant, self-taught, creative individual with considerably experience in the tech industry. I am a self-motivated person who likes to upgrade and gain new skills, mostly related to technology. I can work for longer hours when required. I seek for opportunities that allow me to use my knowledge and skills, hence allowing room for improvement and fueling my passion and zeal to achieve set goals.

WORK/ VOLUNTEER EXPERIENCE

Digital Survey Design (Data analyst) – Intern, DexAfrica – November, 2020 – present

Accra, Ghana (**Online Internship**) – GIS Department

Web software system – Intern, VRA - November, 2021 – present

DexAfrica is a Geospatial and IT service firm that provides a wide range of technical services to clients across the globe such as Agriculture, land & property, Utility. Its core competence is building innovative solutions for web and mobile platforms with location sensor.

Projects:

➢ Designed a survey questionnaire on a "Health Facility Survey Questionnaire". I used and open Data Kit (ODK) for the process by designing the questionnaire using Microsoft Excel (XLS form), uploaded the XLS Form onto a server (ONA https://ona.io), used a tool kit from the ODK(ODK collect to be able to fill form on an android device).

➢ Technologies used: Microsoft Excel, ONA server, ODK Collect

Achievements:

- A testimonial from DexAfrica for participation.

Experiences:

- Survey Questionnaire Design
- The use of Microsoft excels to design survey questions
- Proficient knowledge on how to use ODK for data collection (Geo-point data, text, integer and images)
- ICT teaching Assistant (Morning Start Academy, Zion Secondary School)
- Mathematics and Science teacher (Morning Star Academy)

EDUCATION AND CERTIFICATES

- **HND in Computer Science**

  Accra Technical University – Accra, Ghana
  Graduation year – 2022

- **General Science**

Zion Secondary School – Anloga (Volta Region- Ghana)

Graduation year – 2019

LEADERSHIP EXPERIENCE

- GESAM Treasurer (Global Evangelical Students and Associates' Ministry)- present- University
